*Promoting independence for adults who are
blind or visually impaired*

LOW VISION PEER GROUPS

Connecting with peers is critical to creating community, maintaining hope, and processing sadness during the transition to living with low vision. Monthly support groups offer the opportunity to connect with others and learn about: low-vision resources, transportation options, assistive technology, and current research. Group times can change due to holidays and events. Please call 303-790-1390 to confirm group time.
